... is a Worldwide Ministry aimed at restoring the Faith once delivered by Yahshua of Nazareth to the Congregations at its inception close to 2,000 years ago. This restoration needs to take place in order to reach those with ears to hear and eyes to see the truth from the lies, so that the Good News of the Kingdom shall be preached in all the world for a witness unto all nations (*Matthew 24:14*).

We encourage all those who consider themselves to be true believers to ask: “which congregation do I belong to? The true faith our Savior Yahshua the Messiah set down in the year 30 CE, or the false doctrine, drenched in paganism and sun worship, as set down by Constantine in 325 CE?” The two are vastly different and we cannot serve two masters (*Matthew 6:24*).

One was a Hebrew Congregation with a Hebrew Savior that was completely Torah observant. The other was and still is a counterfeit, lawless church, sealed by the decrees of Constantine and implemented for the sole purpose of deceiving and enslaving mankind (*Revelation 12:9*).

The articles contained in this publication are motivated by the Word of Truth, the Holy Scriptures, inspired by our Almighty Father Yahweh and Yahshua Messiah, His Son. Words made manifest through the power of the Holy Spirit (*2 Timothy 3:15-17*).

May this free gift bring you closer to our Father Yahweh through His Son, our Savior and soon returning King, Yahshua the Messiah. In His wonderful name, shalom...

Greetings Brethren,

And shalom in the wonderful name of Yahshua Messiah. We have been living in what the Bible calls the last days since the founding of the Beast Power United Nations in 1945. Also, a major sign that the end times had indeed started was in 1948 and the establishing of the nation of Israel after 2,520 years in Diaspora.

However, during the last 75 years or so, it has been very difficult to know exactly how much time was left before the prophecies in the book of Revelation would come to pass and the Kingdom of Yahweh would be set up on the earth. Over the last 75 years we have seen an increase of signs, such as immorality and homosexuality becoming normal and rampant in the world today. We have also seen things such as an increase of major earthquakes worldwide, and dangerous weather conditions, as well as wars and rumors of wars, and famine and pestilence.

However, there was not one major sign that would make a true believer know that there were only a few years left until the return of Messiah. We knew we were in the season of the end time, but it was not possible to know if there were 20 years or 50 years until Yahshua would return.

But starting in 2014 the signs started to get more defined and definitive. There was the tetrad of Blood Moons on Passover and Sukkot for 2 to 3 years in a row, and then there was the Revelation 12 sign that only happens once every 7,000 years to show us that we must be getting closer to the day of Yahweh's wrath and His setting up the Kingdom of Yahweh to this earth.

But, now in the past year we have seen the beginning of setting up the mark of the beast system with the Covid Green Vaccine Passports that without the covid injection in a person's arm they cannot work, or buy and sell, or even get medical treatment.

We know that this system could not last for long as the people of Yahweh couldn't survive for decades without being able to buy and sell food and essential supplies. And Scripture tells us it will not last for longer than 42 months.

Rev 13:5 And a mouth speaking great things and blasphemies was given to it. And authority was given to it to act forty-two months.

So with this beast system here and its mark in the process of being implemented for the first time since the beginning of the end times, we know for sure the Kingdom is closer than most think.

What Will 2022 Bring?

A Fresh Look at the 4 Horsemen of Revelation for the Year 2022

By Don Esposito

Truly the Corona virus plandemic starting in 2020 has changed the world in many ways. It has put a halt on traveling and tourism, and even pleasure seeking. It has instilled fear in most parts of the world with people being afraid of getting sick or even dying. And it has also conditioned people to unconditionally follow government rules no matter how far they go, to even violate the Nuremberg codes made after World War 2.

It has also brought lockdowns of whole countries, and now vaccine passports where no one can work, or buy and sell unless they have the covid shot. So, I believe that we can see that the Kingdom of Yahweh is now closer than when we first believed.

Rom 13:11 Also, knowing this **that now is the time and the hour for you to awake from your sleep, for now our salvation is nearer than when we first believed.**

In many circumstances over the last 40 years things looked like they might be heating up prophetically only to simmer down, and allow time to continue to move on. However, with this situation now, it only seems that rules and laws and mandates will only multiply faster, and that the prophetic clock has indeed started ticking down to the wrath of Yahweh, and the establishment of His Kingdom to this earth.

So, in light of all these events taking place in the last 2 years, I believe we need to take a fresh look at the 4 horsemen of Revelation from a new perspective to current world events. Now, please understand that I am not saying that what I am about to write and speculate on the only fulfillment of the 4 Horsemen, but in light of the present time we live in going into 2022 it sure is at least a type and possibly more.

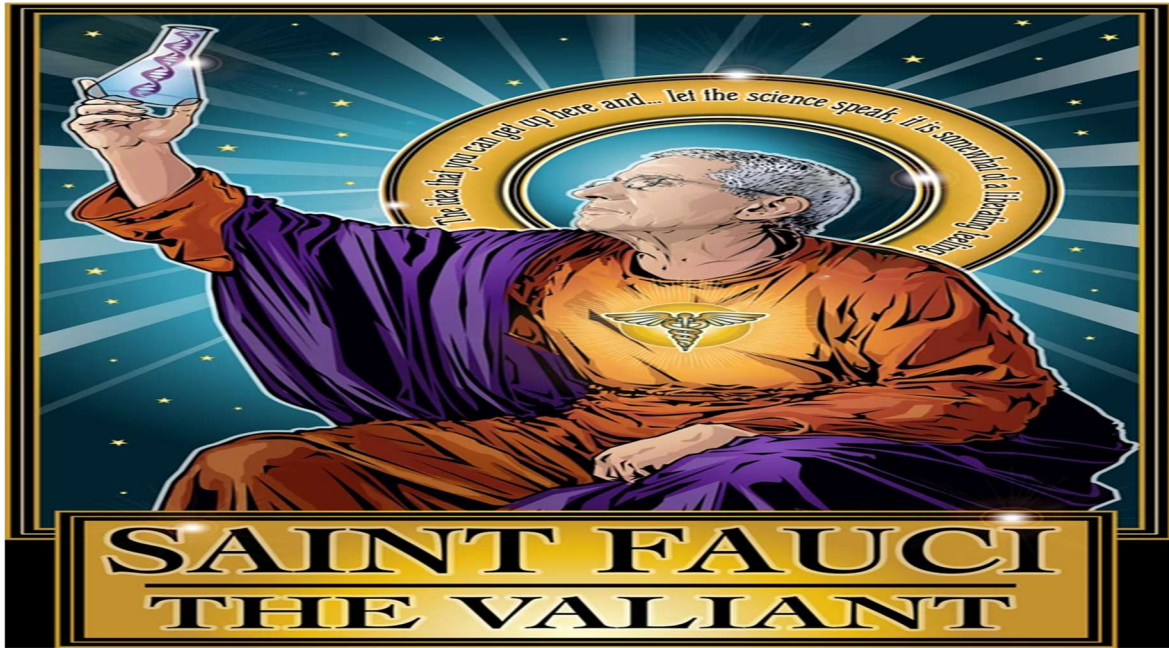

Many times since much of prophecy is for a specific time, it is impossible to know the prophecy until the circumstances around the time of the prophecy are revealed. So, in light of the covid plandemic what could the 4 horsemen of Revelation represent?

First, the white horse:

Rev 6:1 And I saw when the Lamb opened one of the seals. And I heard one of the four living creatures, like a sound of thunder, saying, Come and see.

Rev 6:2 And I saw, and behold, a **white horse!** And the one sitting on it had a **bow.** And a **crown** was given to Him, and He went out overcoming, and that He might overcome.

I have always believed that the rider of the white horse is NOT the Messiah, but is a false type of savior. He comes on a white horse as white pictures purity and cleanness and hope. And a crown was given to him showing that he is some sort of a leader and a respected person that people are falsely looking to false security.

Isn't it interesting that the word "corona" actually means a crown, so corona was given to this fake leader to deceive the people with false hope, and in the fake religion of the corona virus Dr Fauci has been made the patron saint of corona? He doesn't ride a white horse per say, but he does wear a white doctor's lab coat.

He also doesn't carry a bow, but like a bow he carries a needle to inject people with the covid death shot. And he has been given authority by the world bodies to conquer the people through vaccine mandates, lockdowns, and every regulation you can imagine to give people a false security that is only a façade.

Remember the book of Revelation is filled with hyperbole and symbolic messages, and if we are as close to the end as it seems we may be, then this analogy fits the prophecy to a tee.

The next horse is the RED horse.

Rev 6:3 And when He opened the second seal, I heard the second living creature saying, Come and see.

Rev 6:4 And another horse went out, red. And it was given to the one sitting on it to **take peace from the earth**, and that they should **slay one another**. And a **great sword** was given to Him.

As we look at the red horse, it certainly pictures world war on the earth, but also the color RED is also the color of communism and is an indicator that both China and Russia, who are both red communist countries will be at the forefront of this war.

And right now, as we enter the year 2022 both China and Russia are pushing the buttons for a world war and has just done military exercises together and signed a pact to defend each other in a war situation.

China has been threatening a takeover of Taiwan, and many pundits believe it may happen in 2022. If China did militarily take over Taiwan, they would also control the China sea trading route, which much of the worlds trade travels through.

This would cripple a world economy that already is having great difficulties recently with supply routes of goods. It would also most likely drag the US into such a war.

And Russia has amassed more than 100,000 troops at the Ukraine border and will attack and take over Ukraine unless Europe agrees not to allow Ukraine into the European common market. If Russia does attack Ukraine, it will most certainly lead to world war.

And let's not forget that the tension between Israel and Iran has been heating up with Israel bombing Iranian targets in Syria over the last few months and Iran threatening to attack Tel Aviv and other major Israeli cities. Only Yahweh knows the future, but 2022 could clearly be a year for war starting on several fronts.

Then, the third black horse:

Rev 6:5 And when He opened the third seal, I heard the third living creature saying, Come and see. And I saw, and behold, a **black horse**, and the one sitting on it having a **balance** in his hand.

Rev 6:6 And I heard a voice in the midst of the four living creatures saying, A measure of wheat for a denarius, and three measures of barley for a denarius; and do not harm the oil and the wine.

Look at the following headline from just a few weeks ago in December of 2021.

“GENEVA (AP) — The United Nations is predicting that a record 274 million people – who together would amount to the world’s fourth most-populous country – will require emergency humanitarian aid next year.”

The United Nations is predicting that a world record of people will need emergency aid in 2022 and that is before taking into account the possibility of world war, or the covid crisis worsening. The US has had record drought in places like California and does not have the surplus supplies to help out in a crisis situation at current levels.

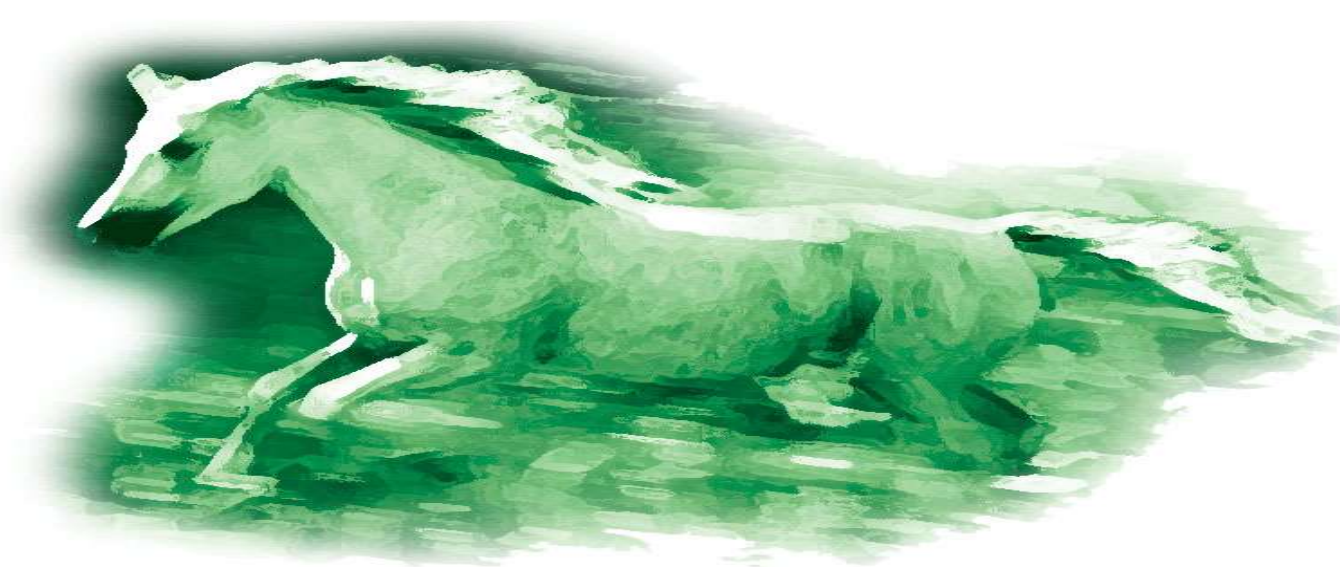

Also, weather conditions continue to get worse and 2022 can be a prophetic year for famine as the United Nations predicts it will be the worst year on record. Also, we see from Revelation that a measure of wheat is a denarius, and 3 measures of barley are a denarius, which is about 10 times or more of the normal price, showing great inflation is taking place due to shortages in the supply chain. In 2021, inflation in the US economy, (and also worldwide) was at a 39-year high and there is no end in sight, so it is not too hard to see that this scripture could be unveiling right before our eyes. Also due to vaccine mandates many workers have been forced to leave their jobs and this has also caused a worker shortage to worsen the supply shortage.

With 8 Billion people on the planet, and in many places there are restrictions for even going to a supermarket without a covid shot, we can see that would famine is creeping up on our doorstep. This all comes with the Shemita year now only months away starting this fall in 2022.

Which brings us to the 4th **Green** horse:

Rev 6:7 And when He opened the fourth seal, I heard a voice of the fourth living creature saying, Come and see.

Rev 6:8 And I saw, and behold, a **pale green horse**, and the name of the one sitting on it was **Death**; and Hades followed after him. And authority was given to them **to kill over the fourth of the earth with sword**, and with **famine**, and with **death**, and by the **wild beasts** of the earth.

Some translation put a pale horse here, but if you look up the word it is “*clorus*”, which is literally light green. In light of everything going on in 2021, I don’t think it a coincidence that worldwide, governments have been bringing in “**green**” passports for people taking the covid shot.

And without this green passport, one cannot work, buy or sell, or go to restaurants, museums, or any other public venue. In many places, people cannot even get medical help without the green passport. Up until now most places have allowed unvaccinated people to get tested each day instead of having to take the covid shot, but starting in 2022, some countries have already announced that this will end and the covid death shot will be mandated for all citizens.

The green horse, or shall we say in this case, the vaccinated horse, kills ¼ of the population on the earth, by war, and famine, and also by wild beasts. Let’s not forget that supposedly covid came from a transferring of the virus from a wild animal to a human, and also in these vaccines there are unclean animal serum in the shot. The Covid shot also destroys the immune system and it is estimated that many will die in 1 to 3 years.

Also, remember that famine also comes through economic collapse, and the world reserve currency is the US dollar, which is a green currency, and this green horse may also bring a worldwide economic collapse.

And as the people of Yahweh, we must be ready for the times ahead as after the horror of these first 4 horses, then comes the fifth seal, which is martyrism of the Saints.

Rev 6:9 And when He opened the fifth seal, I saw under the altar the souls of those having been slain for the Word of YAHWEH, and for the witness which they had.

Rev 6:10 And they cried with a great voice, saying, Until when, holy and true Master, do You not judge and take vengeance for our blood, from those dwelling on the earth?

Rev 6:11 And there was given to each one a white robe. And it was said to them that they should rest yet a little time, until might be fulfilled also the number of their fellow-servants and their brethren, those being about to be killed, even as they.

Only Yahweh knows the exactness of the times we are living in, but we must remember that about 1/3 of the Bible is prophecy, and around 80-90% of those prophecies are for the end time. So, Yahweh wrote all of these warning signs for us as His people to prepare and be ready for when the time is about to happen.

To the world, they are in blindness, without understanding, but to His children, they are children of light, and that is why Yahweh gives us spiritual eyes to see and hear and understand the times we are living in.

Things are moving extremely fast with new laws and regulations coming almost weekly.

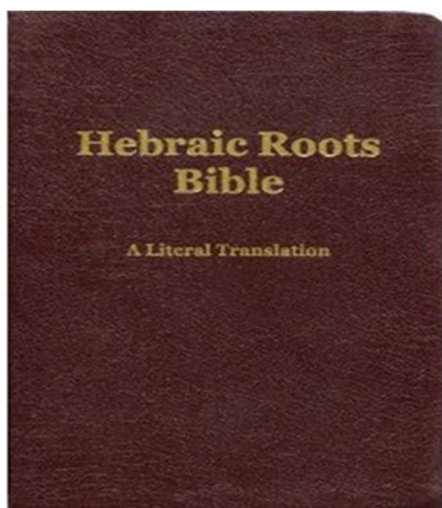

Dan 7:25 And he shall speak commands against the Most High, and he shall wear out the saints of the Most High. And **he intends to change times and law**. And they shall be given into his hand until a time and times and one half time.

Since the beginning of these end times in 1945 after World War 2 ended they developed the world court, and the Nuremberg trials to give humans all over the earth rights so that no tyrannical government could come and ever do what Hitler did again.

And yet today, with the Covid plandemic, they are breaking and changing even the Nuremberg laws to take away any form of human rights in this sick world and force the covid death shot on humanity.

It does look like 2022 will be another disastrous year for the world, but if we are this far in these end times as it seems, then to the people of Yahweh it will bring us one more year closer to the return of Yahshua and the establishment of the Kingdom of Yahweh on this earth. That is where our faith is in.

When Will the Mark of the Beast Be Fully Implemented?

By Don Esposito

We have been living in such amazing times recently to see prophecy come alive and literally jump off the pages of your Bible and be revealed. We have witnessed Israel being a nation again after 2,520 years exactly as Scripture has stated.

We have seen the setting up of the end time global government through the creating of the United Nations in 1945, and also the World Bank, International Monetary Fund, and other global organizations. We have also seen the steady decline of morality and the breakdown of the family get progressively worse in every decade from the 1940's until today. And most recently, in the last 7 years or so, we have seen certain prophecies come to pass such as Joel 2:30-31.

Joe 2:30 *And I will give signs in the heavens and in the earth: blood, and fire, and columns of smoke.*

Joe 2:31 *The sun shall be turned to darkness and the moon to blood, before the coming of the great and awesome day of YAHWEH.*

In 2014-15 we witnessed a tetrad of Blood Moons and eclipses on Passover and Sukkot, and including a full solar eclipse on the day of the equinox in 2015.

Rev 12:1 *And a great sign was seen in the heavens, a woman having been clothed with the sun, and the moon was underneath her feet; and on her head a crown of twelve stars;*

Rev 12:2 *and having a babe in her womb. She cried, being in labor, and having birth pains to deliver.*

Then, the Revelation 12 sign happened in the heavens, which only happens once every 7,000 years. This sign, as Scripture stated, showed the King's planet, Jupiter, in the womb of the constellation of Beulah (the virgin) for exactly 9 months, and then, exit the birth canal on September 23, 2017, just as the sun was in the mid-section of the woman, and the moon was under her feet.

The constellation of the virgin also had 12 stars in her head as Venus, Mercury, and Mars, were in the head of the constellation with the 9 stationary planets at that time.

This was followed in 2019 by the congregation going to the wilderness and leaving the defiled state of Jerusalem as outlined in Revelation the 12th chapter. Interesting enough, Scripture states that the woman will be taken on two wings of a great eagle, and if you look at the top of Selah where Scripture states the woman flees to, and where we have been keeping the feast, you can see what looks like eagle's wings over the Dead Sea from the Israel side to the Jordanian side.

Now, the next thing Scripture states in Revelation the 13th chapter is the beast being set up, and the mark of the beast being implemented. And as I write, many world powers have already set up a worldwide green passport system where no one can travel, work, or buy or sell unless they have the green passport immunity injection in their arm.

Things are indeed moving quickly.

However, there is one important aspect of Revelation 13 that we need to discuss that is vital to understand what will happen next in the scheme of things in end time prophecy. Throughout history, most people couldn't fathom how a ruler could cause all humans on the earth not to be able to buy and sell or work or even travel. How could such a thing be enforced? How could a world leader know when someone is buying some food from a local grocer and stop him from doing it?

That is why so many throughout the last 2 millenniums have come up with all sorts of twisted analogies for what this scripture could mean. Prophecy teachers have made up theories from the mark being Sunday worship, to being social security cards, etc., because we didn't have the technology to know what this mark actually was.

Now, in the end of days, we actually have the technology to know that the mark is a tracking system that is implanted into the hand and will monitor a person's medical history, his buying and selling dealings, and all his banking transactions, and also monitor a social score to allow the person to work and freely travel as long as they are obedient to the social rules applied by the beast power system.

And you don't have to leave anything to the imagination because this system is already set up and being used worldwide through the Covid 19 Green Pass to ensure the injecting into the arm of the Covid gene therapy that is being incorrectly called a vaccine.

It is being enforced through a QR code from a person's iPhone, which in reality has become an extension of the human hand since most humans carry their iPhone everywhere and use it day and night. So, the next step of simply implanting a nano-biochip in the hand instead of having to use the iPhone will be actually looked at with much optimism in the next step of the mark of the beast evolutionary process.

I believe another reason why there has been so much confusion and error with understanding what the mark of the beast actually is happens to be in the consequences and punishment for taking the mark.

Rev 14:9 *And a third cherub followed them, saying in a great voice, If anyone worships the beast and its image, and receives a mark on his forehead, or in his hand,*

Rev 14:10 *he also shall drink of the wine of the anger of YAHWEH having been mixed undiluted in the cup of His wrath. And he will be tormented by fire and brimstone before the holy cherubs and before the Lamb.*

Rev 14:11 *And the smoke of their torment will rise forever and ever. And those worshipping the beast and its image have no rest night and day, even if anyone receives the mark of its name.*

Wow! The punishment for taking this bio-chip in one's hand is eternal death in the Lake of Fire. In Scripture there are not many things that a person can do that cannot be repented of and will lose his eternal life. So, why would Yahweh take away someone's eternal life simply because he took a chip in his hand so he would be able to work and buy food and not starve to death? The chip itself is not sinful in nature. And having this chip implanted on one's hand is not stealing, or committing murder or adultery. So why would it have such a penalty to lose your eternal life by simply having a bio-chip implanted in one's hand?

Well, the answer is that Yahweh would not take away someone's eternal life for simply having a biochip marker implanted in their hand. Over the last 100 years people have had all kinds of surgery and have had things implanted in their body, such as heart monitors, monitors to regulate insulin levels in a person with diabetes, and even getting a metal plate implanted into a person's bone.

So, why would someone not lose their eternal life for those procedures, and yet will lose his eternal life for simply getting an implanted chip to be able to work and buy and sell to eat and survive?

The answer is of extreme importance and is also one of the reasons why a true believer would never get the Covid gene therapy shot either. Whereas, there have been medical procedures in the past to implant something in the human body for health issues, this implantation that is coming by the biochip connected with the Covid 19 shot is not for health purposes, but for tracking a human being 24/7 and altering their DNA.

And not only that, because it is a sort of computer tracking device being implanted, it can also be used to alter someone's mind and brain and actions. It is literally giving away your free will to Satan's beast power. And the plan is not just to implant nano-biochips for tracking people's movements, but to literally connect humans with artificial intelligence and make them some sort of a hybrid human/robot.

This is similar to what was happening in Genesis the 6th chapter, and is blaspheming Yahweh's creation of human beings made in His very own image.

Gen 6:2 *The sons of the Elohim saw the daughters of the men, that they were good, and they took wives for themselves from all those whom they chose.*

Gen 6:3 *And YAHWEH said, My Spirit shall not always strive with mankind; in their going astray he is flesh. And his days shall be a hundred and twenty years (times).*

Gen 6:4 *The nephilim were in the earth in those days, and even afterwards when the sons of the Elohim came in to the daughters of the men, and they gave birth to them; they were the heroes who existed from ancient time, men of renown.*

Gen 6:5 *And YAHWEH saw that the evil of man was great on the earth, and every imagination of the thoughts of his heart was only evil all the day long.*

Gen 6:6 *And YAHWEH sighed with sorrow that He had made man on the earth, and He was grieved to His heart.*

Gen 6:7 *And YAHWEH said, I will wipe off man whom I have created from the face of the earth, from man to beast, to the creeping thing and to the birds of the heavens; for I repent that I made them.*

Bill Gates was tasked by the CIA back in 2005 to explore why some people are religiously orientated and why some are not. What he found in his study was that there is an enzyme in the brain that causes some people to pray and read their Bible and want a relationship with the Elohim who created them.

Bill Gates called this religious fanaticism. When asked by the CIA director how they can change these religious people from their current form of worship, Bill Gates clearly told him, **through a VACCINE!**

So, it is not just a matter of taking a chip that will track you 24 hours a day so you can work and buy food to eat. It is a matter of changing your genetic makeup of your DNA code and becoming something sub human and demonic that is controlled by a master computer system on the World Wide Web and the beast power.

By the way, in ancient Scripture there were only letters, not numbers, and each letter had a value and that is how one calculated numbers. And the letter "W", which in Hebrew is the Waw, is the number value of 6. So, WWW is equivalent to 666.

So, this is why a true believer in Yahshua would never take either the fake Covid shot or the nano-biochip that will come along soon to control mankind. The covid shot also has graphene oxide in it to build up a person's magnetism to allow the biochip mark to work properly later. Besides being immoral and made from fetal tissue of murdered babies, these shots and the implanted chip to come will alter a person's free will and the person will literally be giving his allegiance, mind, and control over to Satan the devil.

Some may ask, why would Yahweh allow most people in the world to be deceived in such a way, if they don't even understand what they are doing?

2Th 2:9 His coming is due to the working of Satan in all power and miraculous signs and lying wonders,

2Th 2:10 and in all deceit of unrighteousness in those who will perish, **because they did not receive the love of the truth in order for them to be saved.**

2Th 2:11 And because of this, YAHWEH will send to them a working of deception, for them to believe the lie,

2Th 2:12 that those not believing in the truth, but who have delighted in unrighteousness all may be damned.

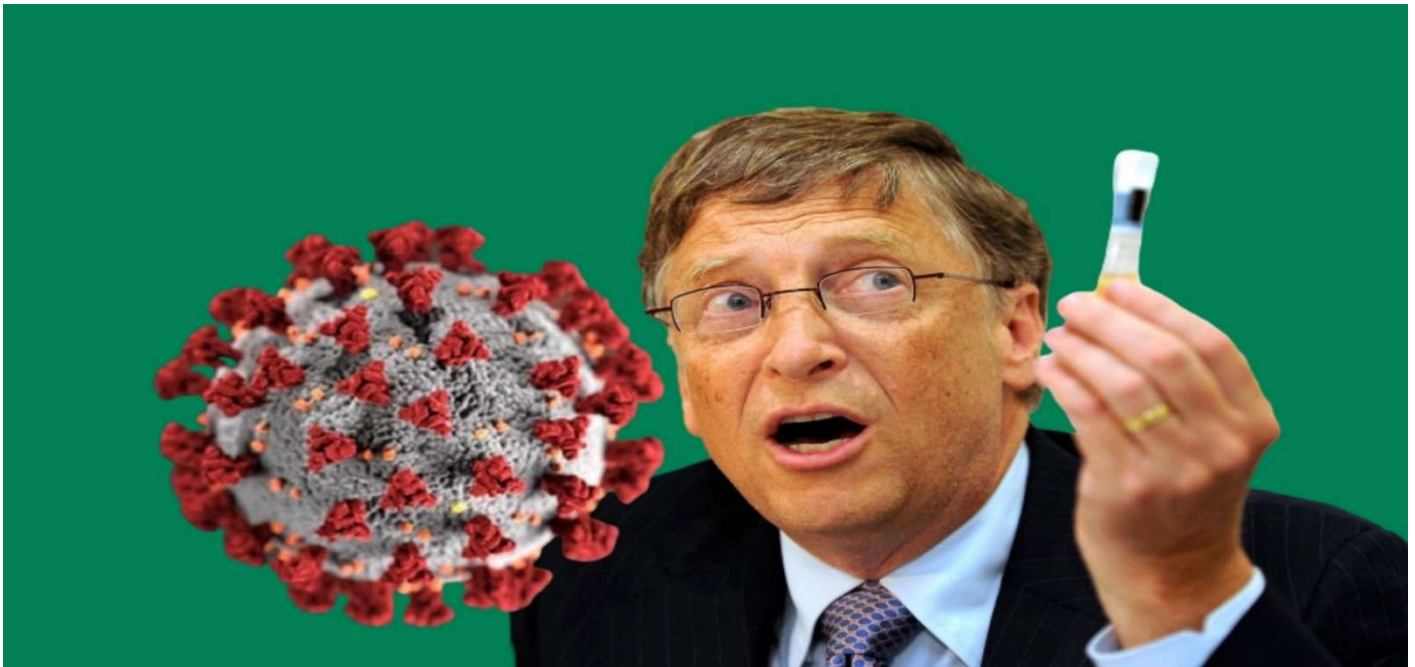

Sadly, the answer is they could know the truth, and simply refuse to hear it. They love the Babylon system of Satan more than the eternal righteous Kingdom of Yahweh. And because of their refusal of the truth and love of Yahweh in their lives, Yahweh will allow them to follow the deception that they love and that their life is based on.

So, how much longer will it be until this worldwide system is set up? Sad to say, it is already here as already many countries are not allowing their citizens to work or even buy groceries without the vaccine Green Passport, and that number grows weekly; and the draconian measures grow with it. There has never been a worldwide electronical tracking system like this ever in the history of mankind.

And since the system is already now here in place, can the nano-biochip mark be far behind?

How Will the People of Yahweh Survive the Mark of the Beast?

By Don Esposito

There Are many scary scenarios in Scripture. We see the flood of Noah destroy all human and animal life on the earth, except for Noah and those with him on the Ark. We also see Israel in slavery for several centuries, and dealing with hard bondage, and great suffering and misery.

And also, the Bible is filled with droughts and plagues and famines that sometimes can even boggle the human brain to how bad they may have been at the time.

2Ki 6:25 And there was a great famine in Samaria. And behold! They were laying siege to it until the head of a donkey was at eighty silver pieces, and a fourth of a cab of dove's dung at five silver pieces.

2Ki 6:26 And it happened, the king of Israel was passing by on the wall. And a woman cried to him, saying, Save, my master, O king.

2Ki 6:27 And he said, If YAHWEH does not save you, from where shall I save you? Out of the threshing floor, or out of the winevat?

2Ki 6:28 And the king said to her, What ails you? And she said, This woman said to me, Give your son and we will eat him today; and tomorrow we will eat my son.

2Ki 6:29 And we boiled my son and ate him, and I said to her on the next day, Give your son, that we may eat him. But she hid her son.

2Ki 6:30 And it happened when the king heard the words of the woman, he tore his garments. And he was passing by on the wall, and the people looked. And, behold, the sackcloth was inside on his flesh.

We also see great martyrism of the early believers in the book of Acts.

Act 8:1 And Saul consented and participated in his murder. And in that day a great persecution took place on the assembly which was in Jerusalem; and all were scattered throughout the regions of Judea and Samaria, except the apostles.

Act 8:2 And devout brethren buried Stephen and all made a great mourning over him.

Act 8:3 Now Saul persecuted the congregation of YAHWEH while he entered homes and dragged away men and women. And he delivered them to prison.

And throughout the last 2,000 years many brethren have had to live underground, and in mountains and caves to get away from the great persecution that their respective governments brought on them.

However, there is a situation that is prophesied for the end times that is different than any other situation that true believers had ever had to go through. The book of Revelation prophesies about an end time global beast power government that will have rule all over the earth.

Yet, most people living in the world at this time will worship this beast leader and the system that he institutes all over the globe. Satan will try to make this system look righteous and good, but deep down it will be demonic and deadly.

However, there is one thing about this beast system that has startled brethren for almost 2,000 years.

Rev 13:15 And was given to it to put life into the image of the beast, so that the image of the beast might even speak, and might cause as many as would not worship the image of the beast to be killed.

Rev 13:16 And the small and the great, and the rich and the poor, and the freemen and the slaves, **it causes that they give to them all a mark on their right hand, or on their foreheads,**

Rev 13:17 **even that not any could buy or sell, except the one having the mark,** or the name of the beast, or the number of its name.

Rev 13:18 Here is wisdom: Let him who has understanding compute the number of the beast, for it is the number of a man and its number is six hundred and sixty six.

Brethren in the past, in their simplicity, have come up with all kinds of guesses to what this mark actually is, such as Sunday worship or even a social security card. However, this mark is an end time mark, and implanted in the hand, and the technology for this would not be made known until the time of its admittance.

However, now as we are marching on toward this very time of the beast government implementing the mark, we see that Bill Gates from Microsoft has patented a system that uses human biometrics, such as body heat and brain-wave activity to mine cryptocurrency. The patent, filed under international patent number, WO-2020-060606 and titled '*Cryptocurrency System Using Body Data Activity*', leverages human body activity as proof-of-work.

As to how body activity and biometrics will be communicated to servers and cryptocurrency hardware, the patent explains that "*a sensor communicatively coupled to or comprised in the device of the user may sense body activity of the user.*" The patent then gives examples of sensors that can be used to this end – such as "*fMRI scanners, electroencephalography (EEG) sensors, near-infrared spectroscopy (NIRS) sensors, heart rate monitors, thermal sensors, optical sensors, Radio Frequency sensors, ultrasonic sensors, cameras, or any other sensor or scanner.*"

In other words, a chip will be inserted into the body that monitors a person's daily physical activity in return for cryptocurrency

The Bill and Melinda Gates Foundation has donated more than \$21 million towards developing a vaccine technology that uses a tattoo-like mechanism which injects invisible quantum dot nanoparticles under the skin that is now being tested in a vaccine against the virus that causes COVID-19

The human implantable mark when injected emits a glowing, red X pattern as it delivers the vaccine, and what is left behind is capable of data storage and retrieval for years afterwards. Not only that, it is the oft-stated aim and goal of Bill Gates and his wife Melinda to give a quantum dot vaccination mark to every human being on the face of the earth to help distinguish those with Covid-19 from those without.

Also, at the same time Elon Musk and his company called, Neuralink, wants to insert Bluetooth-enabled implants into your brain, claiming the devices could enable telepathy and repair motor function in people with

injuries. His devices will consist of a tiny chip connected to 1,000 wires measuring one-tenth the width of a human hair and be able to implant information and thoughts into the human brain.

Before this modern computer, technological age, no one could have imagined how government, as powerful as they may be, have the ability to stop people from buying and selling. How could they be able to track all humans, and stop them from trading their silver or gold, or even paper currency for food and living supplies?

Now with these new technological advances in science, this soon coming world government can not only track every human on the planet, but also control what someone buys or sells by a trading system that will only be able to be done electronically with an embedded chip to be placed under the skin of all humans on the planet.

Some countries, such as China and India, are already in the process of transferring over to an electronic cashless society. So, if a full electronic cashless society arrives in the form of the mark of the beast, how on earth could the people of Yahweh survive in such a controlled, manipulated system without taking the mark?

This is a question that brethren, and even myself have asked for centuries. It seems that under such a controlling system that no one could survive outside of it.

However, Yahweh has always had other plans. Yahweh is the great Creator, and sustainer, and all the earth, including human life belongs to Him (Ps 24:1). He has created human beings in His image, and it is only by His very word in the book of Revelation that Satan is even allowed to set up such a diabolical, evil world system to control every person on this planet.

However, Yahweh uses everything to the good, to those who love Him, and are called according to His purpose (Ro 8:28). He will never allow anything to try us above what we are able to, and in the case of the mark of the beast, He is the one using this wicked beast system as a way to test His people in the end times, and to separate the wheat from the chaff.

The Kingdom of Yahweh is about unity, and selflessness, and serving and loving our neighbor as our self. So whatever plan He would have to overcome the beast and its mark, it would have to involve love, and unity, and a team effort of His people working together in these last days, in preparation for rulership in His soon coming Kingdom.

His plan would never be just about people being loners and preppers, locked up in some deserted place by themselves with 20 years of military MRE vacuumed sealed meals to last and survive by themselves. As what would be the purpose for someone to simply survive?

What would be the purpose for a person to survive by themselves while all the brethren are suffering and starving to death. This would not be a Kingdom principle or having a Kingdom mindset; the very reason that Yahweh is allowing this in the first place.

So, in Yahweh's infinite wisdom He has set up for His people to live in community, together in the last days, so that they can be mini cities of refuge, and mini-Kingdoms of Yahweh all over the earth. Yahweh has inspired this idea with His chosen remnant back in 2014 well before there was any fear of a worldwide pandemic, or the mark of the beast being implemented any time soon.

So, the idea of community living and brethren dwelling together in safety and unity, did not come out of panic for self-survival, but it came out of heart-felt desire to live together in harmony, and to be able to love each other on a daily basis.

But it will also be a way that Yahweh can use these communities to sanctify His people in these end times, and to be able to be self-sufficient with food, and shelter, and the daily needs of the brethren. They are also places where brethren can worship Yahweh in Spirit and truth away from the sinister world and system of Satan the devil.

And the brethren who have left society over the last 6 years to join one of Yahweh's communities did not do so to save their flesh, but to learn how to '*die to the flesh*', and to save their souls. They are spirit filled believers who understand that in order to be an overcomer you need to be part of the body of Messiah as we

are all just one small part of that body, and none of us can survive as a part of the body if we are alone. How can you as a small finger survive without the rest of the hand, and arm, and leg and head of the body?

1Co 12:12 Even as the body is one, and has many members, **but all the members of the one body**, being many, are one body, so also is Messiah.

1Co 12:13 For also we all were baptized by one Spirit into one body, whether Jews or Arameans, whether slaves or free, even all were given to drink into one Spirit.

1Co 12:14 For also the body is not one member, but many.

1Co 12:15 If the foot says, Because I am not a hand, I am not of the body, on account of this, is it not of the body?

1Co 12:16 And if the ear says, Because I am not an eye, I am not of the body, on account of this, is it not of the body?

1Co 12:17 If all the body were an eye, where would be the hearing? If all hearing, where would the smelling be?

1Co 12:18 But now YAHWEH set the members, each one of them, in the body, even as it has pleased Him.

1Co 12:19 But if all was one member, where would the body be?

1Co 12:20 But now, indeed, **many are the members, but one body.**

The body of Messiah is indeed one body, fully dependent on Yahweh and Yahshua and co-dependent on each other for its very survival. It is the Laodicean mindset that wants to be separate, doing their own thing, making their own decision according to their own lusts and desires, just as Adam and Eve made the decision to reject Yahweh, and partake of the tree of the knowledge of good and evil.

It is this same demonic mindset today that makes Satan's global government want to control every human being on this planet.

As the set apart remnant of Yahshua, we must humble ourselves before Yahweh and put on the true Kingdom of Yahweh mentality by not hoarding mammon, but giving to my brother who has less than I do. It is only by this selfless, Kingdom mindset that the people of Yahweh will learn to deny the wants of the flesh, and to grow into the grace and knowledge of our Master Yahshua, and to put on and embrace the mind of Messiah. Taking every thought into captivity into His very obedience and will, and denying ourselves daily to be pleasing to Him in all things.

The Kingdom of Yahweh is a reality, but it is also a mentality that we must live in everyday of our lives. By living in community with like-minded believers, and leaving the wicked, self-centered, system of commercial Babylon that Satan has set up in these end times, we are conditioning ourselves daily for our position in the Kingdom of Yahweh.

We are creatures of habit, and unless we leave this prideful, egotistic system that Satan has created, we will be putting ourself under his rule, as he is the god of this world's system that he has created. Yahweh wants us to come out of that system and be set apart in the camps that He Himself is providing and protecting. The time is short, and it takes time once you move to a community to allow your human nature to die, and to grow into the character of Yahshua; that is why Yahweh has set up these communities now, and didn't wait for the last minute to do so. It is truly a mindset, and life and death, as whomever takes the mark will die.

Rev 14:9 And a third cherub followed them, saying in a great voice, If anyone worships the beast and its image, and receives a mark on his forehead, or in his hand,

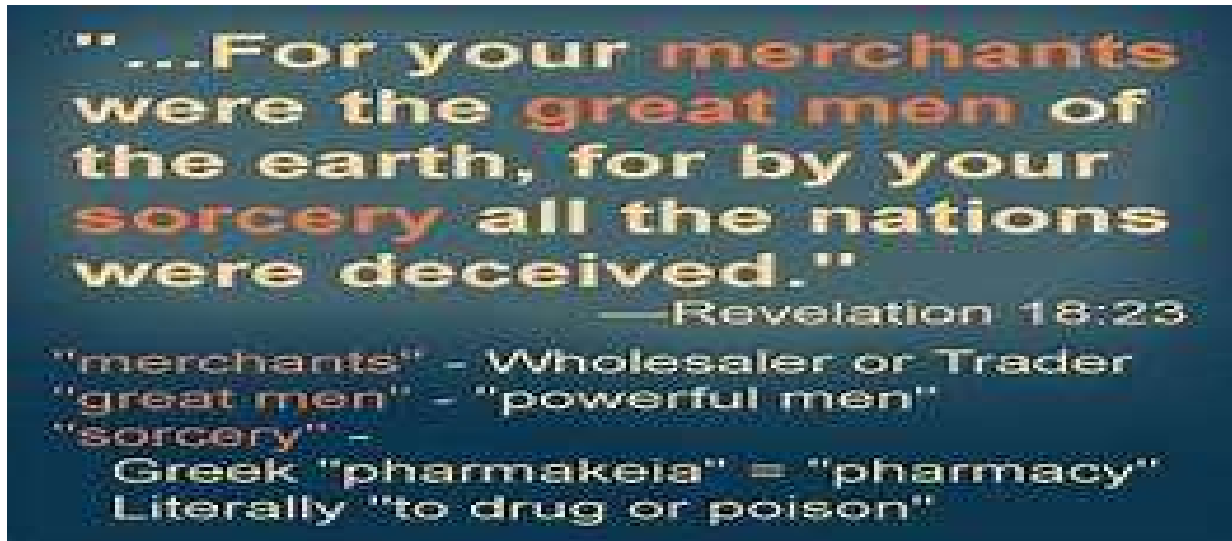

Rev 14:10 he also shall drink of the wine of the anger of YAHWEH having been mixed undiluted in the cup of His wrath. And he will be tormented by fire and brimstone before the holy cherubs and before the Lamb.

Rev 14:11 And the smoke of their torment will rise forever and ever. And those worshipping the beast and its image have no rest night and day, even if anyone receives the mark of its name.

Being a true believer is not simply about believing a certain doctrine, but it's about living by a set of core values, and it is truly a way of life that our actions are automatic by our character that we grow into day by day. Yahweh truly is wonderful and surely has long ago thought of protecting His people from Satan's mark.

Pharmakos and Human Sacrifices

By Dr. Wilko Eloff

Now that we live in the end times, not only Revelation, but many other parts of the Bible are opening up before us. Some of the most relevant verses is in Revelation 7:9,13-14

9 After these things I saw, and behold, a great crowd which no one was able to number them, out of every nation, even tribes and peoples and tongues, standing in front of the throne, and before the Lamb, having been clothed with white robes, and in their hands palm branches.

13 And one of the elders answered, saying to me, These, the ones having been clothed in the white robes, who are they, and from where did they come?

14 And I said to him, Sir, you know. And he said to me, These are those coming out of the great affliction; and they washed their robes and whitened them in the blood of the Lamb.

That implies that no matter what will be mandated, there will be large numbers of people that will not take the mark of the beast. It might, though, lead to their death, but they will be before Yahweh.

In Revelation 18:23 we read that one of the many things that Babylon will be judged for is the sorceries and in Greek pharmakia.

Rev 18:23 *And the light of a lamp will not still shine in you, never! And the voice of the bridegroom and bride will not be heard in you, never! For your merchants were the great ones of the earth, **for by your sorceries all the nations were deceived.***

Pharmakia does mean sorcery, but it is more specific. It is sorcery or magic using drugs (medicine or poison). Where it is any form of sorcery the word used in the Greek Bible is epano. This time is really the first time that all nations at the same time are deceived by the pharmakia of Babylon. Pharmakia is also used where Jehu accuses Jezebel of sorcery in 2 Ki 9:22

And it happened, when Jehoram saw Jehu, he said, is it peace, Jehu? And he said, What peace, so long as the harlotries of your mother Jezebel and her sorceries are so many?

Pharmakia is according to the etymological dictionary online the practice of drugs, poison or the preparation by the *pharmkeus* (Strong's tends to use *pharmakos* for this person) that you can call a pharmaceutical and you can find it in a pharmacy. One unexplained word still remains that is the *pharmakos*. The *pharmakos* was a

person on whom the blame was put for a plague or evil befalling the city. This one was then killed to rid or cure the city of the plague or evil.

This did not only happen in Greece. It is the common practice in all societies, even today. The Greek just gives us the name that links it to the end time. Now in societies, the scapegoat or pharmacos needs to be someone that is in the society, but not from the society. We saw many examples during the years. Just think of the Romans against the early believers, or the Catholic Church against the true believers, and for that matter the protestants. Around the time of the 2nd world war, it was the Jews.

Currently the unvaccinated are pushed by the media and the princes of this world as the reason for the evil or the plague. They will not think twice about offering you for the “greater good” and to rid society of the evil that is caused by the unvaccinated. At least we know why we do not take it, and we listen to Yahweh’s commands. We will be killed for our believe in Messiah. Just spare a thought for those that do not have the Messiah and are also reckoned as a pharmakos. At least they will also have a blessing for not taking the mark of the beast.

Have you ever heard of a treatment that blames its failure on those that did not take it? Neither have I, but that will not stop the world to put the blame on you and me.

Who is really the beast, or behind the beast? That is so clear from Revelation 12:9.

*Rev 12:9 And the great **dragon** was cast out, the **old serpent** being called the **devil**, and, **Satan**; he deceiving the whole inhabitable world was cast out onto the earth, and his messengers were cast out with him.*

It tells us not 3 but 4 times.

Satan is not just happy to kill a few scapegoats. He wants to destroy mankind. He knows his end is near. But for this part we need to go back to very ancient history. The Greek pharmakos date back to the time of Daniel. We need to go way back. Perhaps to the time of Nimrod, with whom all the forms of sun worship started. Even this is not going back far enough. We need to go to the time of Noah. Yahshua says the last days will be like in the time of Noah.

What happened then, we read of in Genesis 6.

The Nephilim was in fact a genetically modified human. Read again, the sons of the elohim are the fallen angels. It was demons, part of the chromosomes were human, and the other half, we do not know what. This was bad enough that Yahweh had to end that generation. And Noah was without blemish in his generation.

Gen 6:9 These are the generations of Noah. Noah, a righteous man, had been without blemish in his generations. Noah walked with Elohim.

He was not genetically modified. For the last 10-20 years we were so brain washed that the world accepted all genetically modified food as better. When they start modifying people, about no one even said anything. The mRNA can and will modify your chromosomes. If you become a GMO (genetically modified organism), are you still human or nephilim? Gen 6 says clearly in those days and afterward.

Gen 6:4 The nephilim were in the earth in those days, and even afterwards when the sons of the Elohim came in to the daughters of the men, and they gave birth to them; they were the heroes who existed from ancient time, men of renown.

Satan has the ones taking his mark as they will be killed by the lack of immunity, the antibody-dependent-enhancement, the auto immune diseases and on top of that, the fact that they are GMO’s. This is all supplied freely in a vial coming to you with compliments of Satan.

He is really after everyone. So, we must move forward to the time after Noah. Nimrod, Ishta, and Tammuz is the basis of all sun worship. There are more than 84 different versions of the three. That though is not important, there is always a father, mother and child idol. Through history in the Biblical times, we read of a number of these from the Egyptian gods to the ones of the Canaanites, Moabites and every one the Israelites fell for.

Lev 18:21 And you shall not give your seed to pass them through to Molech, nor shall you pollute the name of your Elohim; I am YAHWEH.

Jer 32:35 And they built the high places of Baal in the valley of the son of Hinnom, to cause their sons and their daughters to pass through the fire to Molech, which I did not command them, nor did it come into My heart, that they should do this detestable thing, to cause Judah to sin.

Who is Molech (Moloch or Milcom)? The root of molech means king and the first one to proclaim himself was Nimrod. The father part of this unholy trinity always demanded human sacrifices. Moloch of the Amonites was the same as Chemosh of the Moabites. It is also Baal of the Canaanites and Saturn of the Romans. But it was always Satan. If you do not give reverence to Yahweh, you give it to Satan and he does not mind in what form it is, as long as it is not to Yahweh.

It is also interesting to see that the statues of Molech had a head of a bull or calf sitting with outstretched arms to receive the children in a fire that are offered to it. Baal was no different, also a calf and also demanding human sacrifices. At other times it was human blood sacrifices. Remember the priests of Baal cutting themselves in the time of Eliyah,

1Kgs 18:28 And they called with a loud voice, and cut themselves, according to their custom, with swords and with spears until blood gushed out on them.

Interesting to see that Jeroboam set up an altar at Dan and Bethel and he made 2 calves! That was Baal worship.

1Kgs 12:32 And Jeroboam made a feast in the eighth month, in the fifteenth day of the month, like the feast that is in Judah; and he offered on the altar, so he did in Bethel, to sacrifice to the calves which he made; and he made stand in Bethel the priests of the high places that he made.

We have seen a massive increase in child deaths of all causes from the time that they started to vaccinate children. In England the all-cause death rate for children 15-18 years increased within 4 weeks after the start of vaccinating this group with 83% for boys and 33% for girls. This will not stop Satan. For the 4 weeks after the introduction for the 12- to 15-year-olds, we saw an 83% increase of deaths for boys and a 33% increase for girls above the 5-year average for the specific times of the year.

People ask: should my child get the jab? The answer is: *Only if you believe in child sacrifice.*

But WHY the Passover Bread?

*At the Passover, on that night of nights, Yahshua,
broke bread and gave it to his disciples to eat.
That bread has tremendous meaning!*

Reprint article By Earl H. Williams

Do you understand what Yahshua meant when he said of the unleavened bread, "Take, eat; this is My body" (Matthew 26:26)?

Yahshua's disciples partook of that bread almost 2,000 years ago. We eat it today as we observe the New Testament Passover service each year.

But what does eating this bread picture?

The Apostle Paul wrote this of the bread: "The cup of blessing that we bless, is it not a partaking of the blood of Messiah? The bread which we break, is it not a partaking of the body of Messiah? For just as the loaf of bread is one, for we are all one body, for we all partake of the one bread" (1 Corinthians 10:16-17).

When you partake of the Passover bread, you are saying that you have thoroughly discerned the Body of Yahshua, the Congregation, and that you are reconciled to YAHWEH and to each member of the Body of Yahshua.

If you have not taken these steps, then YAHWEH will judge you! You are making a commitment to become one with your brethren just as the bread is one.

After Yahshua gave His disciples the Passover bread, He prayed "that all may be echad (united), as You are in Me Father and I in You, that they also may be echad in Us, that the world may believe that You sent Me" (John 17:21).

Since Yahshua committed His life to make us one, shouldn't we commit our lives to become one?

The Apostle Peter tells us we should indeed follow the example of Yahshua Messiah (1 Peter 2:21).

When you partake of the Passover bread, you are, in part, making a commitment to make the Congregation one unified Body.

The Bread and the Congregation

Why did Yahshua use bread to symbolize the Congregation? Why not meat? After all, His physical body was flesh. What about broccoli? Everybody knows that vegetables are good for you. What is so unique about bread—specifically, unleavened bread?

Bread starts with grain, and so does YAHWEH's plan of salvation.

The Holy Days of the Bible, which outline YAHWEH's master plan for man, are connected to the harvests in Israel as explained in Leviticus 23.

YAHWEH compares Believers to grain. Jacob explains, "From His own will, by the Word of truth, that we should be the first-fruits of His creatures" (Jacob 1:18).

Grain pictures the hope of all Believers—the resurrection of the dead. Listen as Paul describes the analogy: "But someone will say, How are the dead raised? And with what body do they come? Foolish one! What

you sow is not made alive unless it dies. And what you sow, you do not sow the body that is going to be, but a bare grain, it may be of wheat or barley, or of some other seed, and YAHWEH gives it a body according as He willed, and to each of the seeds its own natural body. So also is the resurrection of the dead. It is sown in corruption, it is raised in incorruption" (1 Corinthians 15:35-38,42).

The flour for bread comes from grain. Grain has three main parts—brain, endosperm, and germ. It takes all three to make healthful bread. The same is true for YAHWEH's Congregation. It takes many types of people to make up the one Body of Yahshua. YAHWEH has called people from many parts of the world and from different races.

But the many parts of YAHWEH's flour (YAHWEH's people) are not divided, "For just as the loaf of bread is one, for we are all one body, for we all partake of the one bread" (1 Corinthians 10:17).

Making Bread

What can we learn from the process of making bread that will help make us one bread?

First, let's understand that YAHWEH wants us to be an unleavened loaf.

Leaven is a type of sin, and sin divides. Ever notice the holes in leavened bread? Those pockets of air separate the different parts of the bread. The same can happen in the Body of Messiah if we allow the leaven of pride and vanity to creep in. We will be divided and fall apart.

Notice how close the particles of flour are in unleavened bread. Nothing divides them. That's how Yahshua wants His Congregation, His Body, His Bread to be: "That there not be division in the body, but that the members might have the same care for one another" (1 Corinthians 12:25).

But just because people congregate together does not mean they are tied together. What tie binds true believers together?

Water causes particles of flour, to cling to one another, producing one lump. In the

Bible, water is a type of YAHWEH's Spirit (John 7:37-39).

It is YAHWEH's Spirit that soaks through each Believer and makes him stick to his brother. It is the water of YAHWEH's Spirit that binds and ties many into one.

1 Corinthians 12:13 tells us, "For also we all were baptized by one Spirit into one body, whether Jews or Arameans, whether slaves or free, even all were given to drink into one Spirit."

We need another ingredient to make our bread smooth. We also need something to make our relationships in the Body of Messiah smooth. And there is nothing smoother than oil.

In the Scriptures, oil also represents the Holy Spirit. What is the main fruit of YAHWEH's Spirit? It is love—caring for and giving to one another. Love perfectly binds us together. This is why Paul tells us, "And above all these, have love, which is the bond of perfection" (Colossians 3:14).

The water of the Spirit sticks us together, but the oil of the Spirit (love) keeps us together affectionately. When you care, give and serve your brother, you become one bread with him.

There's just one more thing you need in your bread, and that's some zest. What gives food zest? What gives the Body of Messiah zeal? Salt!

Salt symbolizes the zest and purpose of the Body and bread of Yahshua. Yahshua said it best: "You are the salt of the earth but if the salt becomes tasteless, with what shall it be salted? For it has strength for nothing any more but to be thrown out and to be trampled under by men" (Matthew 5:13).

In a world torn with division and hatred, YAHWEH's Congregation is the salt of the earth. The Congregation—YAHWEH's unleavened bread—flavors the earth with the salt of YAHWEH's way of love and unity.

During the Passover season let's learn this valuable lesson: The Passover bread pictures the Body of Yahshua, the Congregation. Though we be many, we are one unified body through YAHWEH's Spirit.

YAHWEH Has Something Better in Mind!

Here's an important principle to remember when trials and tests overtake you.

By Clayton D. Steep

What has YAHWEH promised Believers in this life? A smooth and trouble-free existence?

To be sure, YAHWEH could give every conceivable physical and material blessing to all of His people at this time. He could here and now grant their every desire. He could make their lives problem free.

He could. But He doesn't.

Nor did He ever promise that He would!

You will search the Scriptures in vain for an Elohim-like person who lived a consistently smooth, cushy life. YAHWEH's servants from Abel to Yahshua and on through the New Testament to modern times have experienced difficulties that might seem to be at variance with what some scriptures promise. But is that possible?

"The heaven and the earth will pass away, but My Words will not pass away, never," Yahshua stated (Matthew 24:35). YAHWEH always keeps His promises. His Word cannot be broken.

The difficulty arises when people misunderstand various scriptures. They assume these scriptures to unconditionally promise what in reality they do not at all promise.

Unconditional promises?

Take for example, Psalm 34:9. David wrote: "Fear YAHWEH, His Holy ones, for they who fear Him lack nothing."

Can a believer look at this as an unconditional promise that he or she will never be in physical or

material need of any kind? If that were the case, how could the Apostle Paul write that he "learned...to suffer need" (Philippians 4:12)? The fact is there were times when he was "in hardship and toil, in sleepless nights, in hunger and thirst, through much fasting, in cold and nakedness" (2 Corinthians 11:27).

Psalm 34:9 is not an unconditionally binding promise of physical and material plenty. David himself, the author of these words, certainly met with his share of serious problems and disappointments in life.

What YAHWEH's people are assured of not lacking, though, is anything that is really important. Important for what? For their uninterrupted physical comfort or enjoyment? No, for their ultimate good—for their eternal, spiritual welfare. That very eternal, spiritual welfare, though, may at times require being in need physically. Paul said, "For when I am physically weak, then I am spiritually strong" (2 Corinthians 12:10).

It is important to understand that many passages in the Bible are statements expressing not what YAHWEH unconditionally will do now in every case, but what YAHWEH *can* do and *would like* to do for us. The fulfillment is always conditional on it promoting YAHWEH's plan and being in our best interests. What is more, YAHWEH doesn't always specify exactly *when* He will act.

YAHWEH, "who gives food to the hungry...sets free the prisoners... opens the eyes

of the blind...raises those bowed down...but He warps the way of the wicked" (Psalm 146:7-9).

Such verses describe YAHWEH's greatness. Our Elohim is the Elohim who does these things. That's the kind of Elohim He is. But he doesn't do them now in every case, as is easily observable. He does them or will do them if and when it is appropriate—if and when it is best.

When you ask YAHWEH for something, have faith and trust in His wisdom, His love, His mercy, His power, His care. Have faith that at the right moment He will do what is appropriate—what is for the ultimate good of everyone concerned.

"Trust in Him at all times" (Psalm 62:8). He knows what He is doing.

Better Promises

The Old Covenant was based on physical promises. But the New Covenant is different. Its most important provisions are not for this life, but for the life to come. It is based on better promises (Hebrews 8:6).

Under the New Covenant, what matters most is not physical comfort and material wealth in this life, though some Believers have these. What is most important is the next life and preparations for it.

Though YAHWEH does richly bless His people physically, such blessings are conditional. YAHWEH simply does not bind Himself to grant all physical blessings in this life to all Believers in all circumstances at all times.

We may not be assured of receiving every physical blessing in this life, though, "every spiritual blessing in heaven through Messiah" (Ephesians 1:3) is available.

"YAHWEH will give grace and glory; He will withhold nothing good from those who walk in integrity" (Psalms 84:11). Material blessings may not always be good for us. But the blessings of YAHWEH's Holy Spirit and the fruits it produces are always good for us. The Holy Spirit is the good gift the Heavenly Father gives "to those who ask Him" (Luke 11:13).

Consider the end

Are you being tested right now? Are you undergoing some trial or affliction? Think about this. One of the following must be true: Either YAHWEH is not aware of the difficulties you are facing, or He is aware but doesn't care. Or He is aware and does care, but is not powerful enough to help. Or—**and this is the way it is**—He is aware, He cares and He is almighty. He is

actively and intricately involved in what is taking place in your life.

YAHWEH's most fervent desire is to bring us into His eternal Kingdom. Of course, He also wants to bless us in this life. Many scriptures express this.

But if a choice must be made, in spite of how much YAHWEH loves to bless His people materially and physically here and now, His concern for their eternal warfare is so great that He will forego blessing them that way now—even allowing them to suffer "if need be" (1 Peter 1:6)—in order to more abundantly bless them later.

YAHWEH is committed to the plan He has begun for the purpose of enlarging His Family. Our future is so important to YAHWEH that whatever lesson is needed in this life, or whatever it takes to help us build holy, righteous character, YAHWEH will bring it about.

No price is too great—even to the sacrificing of His own Son. How profound is the love of YAHWEH!

"O the depth of the riches and of the wisdom and the knowledge of Elohim! How unsearchable are His judgments and His ways past finding out!" (Romans 11:33).

YAHWEH promises, though, that no trial will be greater than what a person can stand (1 Corinthians 10:13) and that "all things work together for good, to those being called according to purpose" (Romans 8:28).

So don't think it strange if you are being tried (1 Peter 4:12-13). Rejoice! YAHWEH is dealing with you as His child (Hebrews 12:7).

YAHWEH is in control

"The name of YAHWEH is a tower of strength, the righteous runs into it and is set on high" (Proverbs 18:10).

YAHWEH promises to safeguard those who belong to Him.

But some have wondered, then, why do serious or fatal accidents and mishaps from time to time occur in the lives of even YAHWEH's own elect.

YAHWEH is the perfect parent. He knows what we need before we even ask Him (Matthew 6:8). He is intimately aware of every aspect of the lives of His children. Nothing escapes Him.

David realized this. He wrote: "O YAHWEH, You have searched me and known me. You know my sitting down, and my rising up; You understand my thought from afar off. You sift my

path and my lying down, and are acquainted with all my ways. For not a word is on my tongue, but, lo, O YAHWEH, You know it all. You have closed me in behind, and in front, and Your hand is laid on me. Such knowledge is too wonderful for me; it is set on high; I am not able to reach it. Where shall I go from Your Spirit? Or where shall I flee from Your face?" (Psalm 139:1-7).

Yahshua declared that YAHWEH's attention encompasses the birds of the air and the lilies of the field (Matthew 6:26, 28-29). "Are you not of more value than they?"

Yahshua asked His followers, potential immortal members of YAHWEH's Family.

Of course. There is no comparison. Considering the tremendous investment YAHWEH has in you, you can be sure He watches over you carefully.

No one is assured of a "charmed" life free of all accidents and mishaps, though. YAHWEH allows such events to happen for our ultimate good. Time and chance happen to all—even to Believers (Ecclesiastes 9:11).

But in the lives of YAHWEH's elect, time and chance are not allowed to interfere with YAHWEH's purpose. He doesn't just keep His distance and permit every event in your life to come to its own natural conclusion even when harmful.

He is aware of and ready to take a hand in what transpires in your life.

The watchful surveillance of His cherubs is part of the attentive care YAHWEH has for His people: "For He shall give His cherubs charge over You, to keep You in all Your ways" (Psalm 91:11).

So, what happens when an automobile wreck or some other untoward incident suddenly occurs in the life of a true believer?

Are YAHWEH's cherubim looking in the other direction at that moment? Are they somehow distracted long enough for something to happen that interferes with YAHWEH's purpose?

No, such events don't "sneak up" on YAHWEH or His cherubim. YAHWEH is in control.

For one thing, we must remember that YAHWEH is not limited by time as we measure or count it. If a day to YAHWEH can be as 1,000 years (2 Peter 3:8), what is a split second to us can be long enough for YAHWEH to make any decisions He may need to make, even while an accident, for example, is taking place.

We find a striking demonstration of this time differential in the accounts concerning Yahshua's resurrection. One moment His followers were not allowed to cling to Him (John 20:17).

Shortly thereafter His disciples could hold on to Him (Matthew 28:9).

Between those two points, close in time, Yahshua ascended to heaven, was received by the Father—a momentous occasion that certainly was not rushed—and returned to earth. The point is, no untoward event, no accident can hinder YAHWEH's will. He who "wanted to carry out everything according to the good judgment of His will" (Ephesians 1:11) is able to make all situations turn out for the good of His elect.

When is it too late for YAHWEH?

One of the reasons we mortals often panic when we are faced with huge problems is that we tend to view them from a very human perspective. Being physical, we are deeply aware of physical limitations on everything around us. We fear going beyond what we can understand.

But YAHWEH is spirit. He knows no limitations. "For all things are possible from YAHWEH" (Mark 10:27). It is never too late for Him to do what is appropriate.

YAHWEH allowed Daniel to be cast into the lions' den before He intervened (Daniel 6:10-23).

He allowed Shadrach, Meshach, and Abed-Nego to be thrown into the midst of the burning fiery furnace before He saved them (Daniel 3:8-29).

Jeremiah was not delivered from neck-deep slime at the bottom of a cistern until he was first put down there and left to suffocate (Jeremiah 38:6-13).

The Apostle Paul was not freed from imprisonments, shipwrecks, deprivations and numerous other hardships until he first got into them (2 Corinthians 11:23-27).

These servants of YAHWEH came through such predicaments because it is never too late for YAHWEH to do His will.

When Yahshua was informed that His beloved friend Lazarus was very sick, Yahshua didn't rush right over to be with him. Yahshua stayed where He was for two whole days, during which Lazarus died (John 11:5-6).

Poor Lazarus. Did that mean it was too late for Yahshua to help him, as various individuals thought it was (verses 21,32,37)? Of course not. When Yahshua finally arrived, He raised Lazarus from the dead, for even death does not hinder YAHWEH's purpose!

YAHWEH has the last word. He does "whatever He pleases," whenever He pleases (Psalm 115:3). We need to learn that whatever YAHWEH pleases to do in our lives, whenever He pleases to do it, is good, and for our good.

FIGHT THE GOOD FIGHT OF FAITH

*You are in a war! Your eternal life depends on the outcome!
Read in this article what and how to fight.*

By David L. Antion

Everybody likes a fight. No one knows this better than movie producers. That's why nearly every western, spy thriller, or even comedy situation has its *fight* scene. In many cases the picture builds up dramatically to the big fight—the all-out fist fight—where tables, chairs, windows, posts, bottles and nearly every other thing in sight is smashed to pieces.

People love it. But most don't know *why*.

Children love fights. Witness their fighting nature on any playground or school yard.

Even women like fights. Take a look at the front row seats of any boxing or wrestling event. Listen to the high-pitched screams from the audience as *women* fight fans get very involved with their favorite contestant.

A Part of Human Nature

Believe it or not, YAHWEH made us fighting beings. He put it in man's nature to want to fight and conquer. In fact, *we cannot be happy without fighting and conquering*.

The problem is that most do not *know* WHAT to fight. We fight the wrong things. We want to fight *other people*. We become jealous, envious of others. We quarrel with our mates.

People want to fight all right—but they want to fight other people. And although YAHWEH made us fighting creatures, He commands us to live in peace.

Notice: YAHWEH says, "Follow peace with *all men*" (Heb. 12:14). And again, He says, "Be at peace *among yourselves*" (1 Thes. 5:13). YAHWEH admonishes us again, "So, then let us pursue the things of *peace*, and the things for *building up one another*" (Romans 14:19).

Not Flesh and Blood

YAHWEH intends that we fight! But He does not want us to fight other people and *especially* not our own brethren—the other children of YAHWEH!

“For the rest, my brothers, be made powerful in our Master and in the might of His strength. Put on all the armor of YAHWEH, for you to be able to stand against the strategies of the devil. FOR OUR CONFLICT IS NOT WITH FLESH AND BLOOD, but with principalities, and with those in authority, and with the possessors of this dark world, and with the evil spirits that are beneath heaven” (Eph. 6:10-12).

You have enemies—vicious, clever, murderous enemies. They are spirit beings—demons—who are fighting you on a spiritual front. They are assaulting you—causing doubt, division, discouragement.

Nothing gives the demons more pleasure than to divert your energy and attention from the spiritual fight and to see you get involved in a battle against other brethren. Jealousy, envy, hard feelings greatly please them.

YAHWEH intends for you to fight—but not on your own strength. You have to take the whole armor of YAHWEH—He supplies the tools and means for you to battle against the devil and his demons.

The day you were baptized, the enemy—Satan and his demons—set out to kill you spiritually. They are relentless in this pursuit. Therefore, YAHWEH admonishes you to use His armor and to FIGHT!

Here are the weapons of YAHWEH’s warfare. YAHWEH gives us the truth with which to gird our loins, and righteousness as a breastplate. Our feet are encased with the preparation of the Good News of peace. And we have a shield to protect us from the darts of the wicked. That shield is made of faith. Our head is covered with the helmet of salvation—hope for eternal life and our looking forward to entry into YAHWEH’s Kingdom. And one of our most powerful weapons is the sword YAHWEH has given us. That sword is the Word of YAHWEH. Besides all this, Believers must pray for one another and *help* one another in this all-out struggle for eternal life. See Eph. 6:14-18.

The Second Battle Front

Yes, the devil is our enemy. We have to fight him and the demons. But there is more.

In Romans 12:2 we read, “And be not conformed to this age, but be transformed by the renewing of your mind, in order to prove by you what is the good and pleasing and perfect will of YAHWEH.”

Notice! Believers are to keep from being conformed to this world. And that’s not easy to do!

The society around us—its attitudes, way of doing things, trends, styles, government policies, ideologies, religious and educational philosophies—these are all lumped into one gigantic pressure, which the Bible refers to as “this world.” The world is like a gigantic press trying to squeeze us, conform us—into its patterns.

Believers are told, “Come out of her, My people” (Rev. 18:4).

There is only one way for you to keep from being crushed and conformed by this world. You have to fight it! The world never ceases to pressure you into the wrong way. It reaches out for you—constantly putting pressure on you—through the media, television, radio, advertisements, books and magazines, and associations with other people. And the world is reaching out to grab your children. You need to fight for your family as well as for your own life!

There is a war going on—a war in which you can be made a slave. If you don’t fight, you will not win.

The Third Battle Front

You not only have to fight the devil and his demons and to fight to resist the pulls and pressures of this world, you also have to fight another very powerful and insidious enemy. That enemy is your own human nature.

Here's how the Apostle Paul describes this war. "I find therefore that the Torah agrees with my conscience, when I desire to do good, but evil is always near, distracting me. For I delight in the Torah of YAHWEH according to the inward man. But I see another law in my members having *warred against the law of my mind*, and taking me captive by the law of sin being in my members" (Romans 7:21-23).

There is a war going on inside every Believer. A fight against human nature! Human nature resists you in your efforts to do good. It is a pull in the opposite direction—trying to pull you into the way of sin—warring against you!

Paul further explains this battle in Galatians 5:17. "For the flesh lusts against the Spirit, and the Spirit against the flesh; and these are *opposed* to one another; so you are not able to do as you desire."

When you were converted, you received the Holy Spirit of YAHWEH. That Spirit imparted to you the divine nature of YAHWEH. But you are still flesh. You are human. You are filled with the nature of man—human nature. The spirit and the flesh are contrary—enmity is constantly present. There is an antagonism between the things of YAHWEH and the things of the flesh. They actually thrust themselves one against the other.

In other words, there is a constant war going on—your human nature *pulling on you* trying to maintain your bondage to sin—and the divine nature leading—showing the way through the Laws of YAHWEH.

YOU MUST FIGHT YOUR HUMAN NATURE! YOU MUST RESIST THE PULLS OF THE FLESH!
And it is a battle!

The Principles of Warfare

The day you were baptized you were drafted into a war—a spiritual war. On that day YAHWEH made available to you the equipment with which to fight on the three battle fronts—the demons, the world, and your human nature.

But it is difficult for us to recognize that we are *truly* in a war. And we fail to conduct ourselves like the Disciple soldiers we should be.

YAHWEH gives important principles for soldiers. Notice. "Then you *suffer hardship* as a good soldier of Yahshua Messiah" (2 Tim. 2:3).

Here is one of the first principles a soldier must learn. He must be willing to "endure hardness." Look at our men in Vietnam. They have to be willing to slosh through mud, endure jungle heat, fight insects and jungle rot, and put up with uncomfortable sleeping conditions and canned food.

What if a soldier had this attitude? "I'll fight for my country if I can have my three hot meals a day, box spring and mattress, warm fire and stuffed easy chair at night. And I don't mind the shooting as long as it's not in the rain or under muddy conditions. And, I can't stand blood, nor can I afford to miss my favorite TV programs on Sunday night!"

Well, such statements are laughable when you think of them coming from a soldier. But what about yourself? Are you willing to endure hardness?

Or do you say, "I'm willing to be a Believer as long as everything goes all right"?

As a soldier of Yahshua Messiah you must be willing to endure hardness—go through trials—and still keep fighting the enemy. You must recognize that there will be obstacles to hurdle, problems to overcome. But you are made for this! And with YAHWEH's help you can *conquer!*

Notice another principle in warfare. "NO ONE SERVING AS A SOLDIER ENTANGLES HIMSELF WITH THE AFFAIRS OF THIS LIFE, so that he might please the one having enlisted him" (2 Tim. 2:4).

In World War 2 both the Germans and the Japanese realized the importance of this principle of warfare. Thus, the Germans used Axis Sally and the Japanese used Tokyo Rose to cause American soldiers to violate this cardinal principle of war.

Here's how it worked. Tokyo Rose would broadcast over frequencies readily available to American troops. She would play American music—the kind that GI's liked to listen to. She

would talk in her soft, sexy voice to the GI's themselves. Sometimes she had factual information and other times she made up names and places. Her object was to get the minds of the American fighting men onto their problems back home.

To do this she sought to bring about doubts in their minds as to the fidelity of their wives and sweethearts. She would say things like this: "Why should you soldiers be fighting out here for a lost cause? Why should you have to go through all this suffering while other men back home are taking your wife out to dinner and dancing? Hey, Bill, do you know who's dating your girl now? And Johnny, your wife has seen your best friend for the last three nights."

Many of the soldiers just laughed at the statements by Tokyo Rose and Axis Sally. But a good number were actually affected. They got to thinking about the last letter they received from their wife or sweetheart. They began to entangle themselves with the affairs of this life—the problems back home. And the next day on the battlefield their attention was not totally on the war. As a consequence, many were killed or wounded.

Since the devil knows this principle of warfare, it is his purpose to see to it that we become concerned with the affairs of this life. He would like to see us bog down—get our minds on our finances, our relatives, gossip in the local congregation, our little problems, and to relax in this fight for eternal life.

WE CAN'T GET OUR MINDS OFF THE WARFARE AND ONTO THE AFFAIRS OF THIS LIFE, OR WE WILL SURELY BE KILLED!

Reward Goes to the Winners

In YAHWEH's Congregation we hear a lot about overcoming. But do we get the real meaning of this term?

Both the Greek word used in the New Testament writings and the English word "overcome" mean "to conquer."

Now notice Yahshua Messiah's statement in Revelation 2:26 "And the one overcoming, and the one keeping My works until the end, "I will give to him authority over the nations."

Who gets power over the nations? Who will rule with Yahshua in His Kingdom? Who receives the prize? Does it go to the losers?

"The one overcoming, I will give to him to sit with Me in My throne, as I also overcame and sat with My Father in His throne" (Rev. 3:21). Who gets to sit with Yahshua on His Throne? To whom does this reward go? It goes to the conquerors—the ones who win in this warfare.

Have you ever seen a boxing match, wrestling match, football game, basketball game or other sporting event where the cup or prize or crown went to the loser? *Losers just don't win!*

And if we lose in this fight, it will mean that we *have been* conquered.

Yahweh makes this statement in Revelation 21:7. "The one overcoming will inherit all things, and I will be Elohim to him, and he will be the son to Me."

Notice the prize! To the conquerors goes the grand prize—inheritance of all things. It is a joint inheritance with Yahshua Messiah, who is the Great Conqueror!

Yahshua Messiah was the greatest warrior that ever lived. He met the devil on a spiritual battle front unparalleled in history. He conquered. He went up against His own human nature time and again and came out the victor. He resisted this world—fighting against its pressures all of His life. He was victorious!

But He did none of these things on His own strength. He Himself said that by Himself and of Himself, He could do nothing (John 5:30.) He knew that He had to have YAHWEH's instruments of warfare and YAHWEH's help. This same help is available to you and me. But we must recognize we are in a war. We must recognize it is a *fight* for eternal life! And the reward goes to the winners. Losers get nothing.

Men of YAHWEH—Great Warriors

Today our battle front is on a spiritual plane as described above. But it is interesting to note that all of YAHWEH's great men were warriors. Some of them were fighters on a physical plane, but they also had to fight the spiritual fight of faith.

Joshua had to fight his way into the Land of Canaan. David had to fight in order to preserve his kingdom. Samson fought. Jephthah fought. Even Abraham was a fighter (Gen. 14).

But YAHWEH has called *us* not to fight other human beings, but to fight the spiritual fight of faith.

And how do we get into YAHWEH's Kingdom? Do we fall in? Do we slide in?

"But from the days of John the Baptist until now, the kingdom of Heaven suffers violence, and the violent are robbing it" (Matt. 11:12).

Here is the comment from the *Expository Dictionary* on this verse. "Those who are possessed of eagerness and zeal, instead of giving up to the opposition, press their way into the kingdom." It is a fight, a press, a driving effort to get into YAHWEH's Kingdom!

YAHWEH made man to conquer. Even a noted psychologist understands this about human nature. He said, "We are engineered as goal-seeking mechanisms. We are built that way. When we have no personal goal that means something to us, we are apt to life itself purposeless. We are built to conquer environment, solve problems and achieve goals and we find no real happiness or satisfaction in life without this. People who say that life is not worthwhile are really saying that they themselves have no personal goals that are worthwhile."

How true! Man loves things that are challenging—things he must overcome. Notice sports. Would people go hunting if all animals were tame? Would golfing be interesting if every swing were a hole-in-one? No, we are attracted by the adventure of accomplishment—the adventure of overcoming.

Right or Wrong You Will Fight

Man has a fighting nature. He will fight something. And if a person is not fighting the right things, he ends up fighting other people.

Take, for example, people who are lonely and have no hobbies or outside interests. What do they do? In most cases they end up minding other peoples' business, causing problems through gossip and envy. Since they have no other worthwhile goals, they turn inward and want to fight their fellow man. There are millions of such unhappy souls in this world. Their human nature cries out for something to conquer. But they don't know what to fight.

What about you? You are designed to conquer and overcome. You must win against your human nature! You are pitted against the devil and his demons and you must come out the victor! The world is pressing you—trying to conform you to its patterns—and you must resist!

Be driving, intense, and forceful when it comes to overcoming these obstacles! But be loving, kind, and patient *with other people*.

Notice Paul's statement shortly before his death. "For I am ready to be sacrificed, and the time of my departure is at hand. I HAVE FOUGHT THE GOOD FIGHT. I have finished the course. I have kept the faith. For the rest, the crown of righteousness is laid up for me, which our Master, the righteous Judge, will give to me in that Day, and not only to me, but also to all those who love His appearance" (2 Tim. 4:6-8).

Paul described his life as a Disciple as a fight. He did not say, "I have lived a good life." He said, "I have fought a good fight."

He had won. He had conquered. And he knew there was a crown in store for him as well as for all others who fight the good fight and keep the faith.

Brethren, can we realize we are in a fight for Eternal Life? Can we get rid of the lethargy that is characteristic of the Laodiceans of our time? Can we see the goal before us?

Here is YAHWEH's admonition to you.

"FIGHT THE GOOD FIGHT OF FAITH, LAY HOLD ON ETERNAL LIFE" (1 Tim. 6:12).

Ask the Amish is a section in the Remnant's Walk with reprint articles and letters from the Amish community from a publication called "Family Life", which started back in 1967. Some original authors are listed in the publication, some are not. If there is an author listed, they would be listed at the end of the article with an original publishing date. Some Amish choose not to put their names on articles they write.

Farmers Not Needed

Recently I received a letter from an Amish brother in another community...

"Two young Amishmen in this community recently got married. The one bought a farm, since he came from a rich family and was able to pay for it. The other man was unable to get money to buy a farm, so he is working for an English farm operator, driving big combines, tractors and so on. Some people are talking of working in factories. Most of the unmarried girls work in cities and

towns around here. All this is beginning to show effects.

“I understand that within 20 years , four thousand young married couples will be looking for farms. The greater part of these cannot take place in their home communities. So those who do not want to become urbanized will have to settle elsewhere, either where there is cheaper land in the USA and Canada, or in other countries.”

This flocking to cities hasn't caught the plain people yet, but another move in some communities is catching us more and more—the move of the cities into the country. Many of our settlements are not the quiet, rural areas they were ten or twenty years ago. Examples are Geauga and Stark Counties, Ohio, Lancaster County Pennsylvania, and parts of Elkhart, and LaGrange Counties, Indiana. Factories have sprung up, new houses are lined along the roads, and farmland has become expensive and hard to buy. Traffic on roads is heavier every day, and land is becoming crowded and noisy.

What effect does all this have on the plain churches? Are we riding the same train, going the same, but just in the caboose? Our concern should not be so much “Can we make a living off the farm?” as “Will our faith survive off the farm?” but of course the two go together.

There may be several solutions. One has been to move out of the larger, crowded settlements, to areas where farmland is lower priced. The last fifteen years have seen many new settlements in Missouri, Wisconsin, and other states and Ontario.

Another answer is intensive farming, specializing in fruits and vegetables that require much labor, but fewer acres.

Surely there are lands that need hardworking farmers more than the United States does or Canada does. Shouldn't we give our consideration to having some of our families that want to farm , and want to live their faith and raise their children away from the modern and rush, go as immigrants to countries with underdeveloped farms and hungry people? Meanwhile the USA is paying their farmers to quit farming and let their land lay idle, and the people are eating better than any people ate before. Where, do you suppose, does the farmer count the most?

(“Fireside Chats”, J. Stoll, 9-69)

What Troubled Linda

Linda was discouraged with teaching. It almost seemed to her that it was pointless to have parochial schools. What was the use of going to all that effort and expense to shield the children from harmful companions if later they associate freely with young people who seemed to undo all the good accomplished in school?

Surely it is good and right that we have our own schools. We seek to teach and train our children in what is good and upbuilding, and to shield them from the harmful company and environment of public schools. But it is too bad, if we are not concerned in providing an equally upbuilding environment later among young people. Are we concerned only about our little children and not our big children?

It seems that the greatest reason why not more is being done about this problem is simply that we don't care enough. If we really cared, would we, or could we casually visit together about our

crops and neighbors all Sunday afternoon? Meanwhile, in the room upstairs, our young people are keeping the air blue with smoke and playing cards and entertaining each other with off-color jokes. Would we as parents, if we really cared as we should, go ahead week after week, washing and ironing clothes for our young people, which they wear in disobedience to the church?

If we really cared, would we really let our young people go away in the evening without knowing where they are going, or what they will be doing, or with whom they will be spending their time? Would we go to bed on Saturday evening, with our daughters upstairs and the house unlocked so boys can enter and leave at will? This is a setup for evil that is shameful to mention. One can hardly imagine parents so unconcerned as to tolerate it.

It is time we look around and ask what kind of teachers our children have when they reach their teenage years. A teacher is anyone we learn from. Who will our children learn from more readily than the friends and companions they are with? (“Views and Values”, E. Stoll, 8/9-72)

Generation Gap

One of the basic rules of life is that it takes time to build strong emotional ties. For strong ties of friendship to develop people need to spend a certain amount of time together.

No doubt our children spend more time in the company of their peers than any other generation before them. Our people have certainly been right to resist consistently any demands from the government to send our children to high school. It is already bad enough that they are away from their parents for eight school terms. Perhaps we have already gone too far with today's educational system.

Three hundred years ago children were at home with the family during all of their growing years. We would not want to go back to that. In those days, few could read. At the same time, we should be aware of the danger in children being away from their parents too much, and in the company of their peers. We have our own schools and that is good. This is our way of guarding against bad company of our children. But perhaps it is time for us to see that even good company, if it detracts from the ties between parent and child, can also be a harmful thing.

The same is true beyond the level of school years. Yet even many of the most well-meaning parents, see no danger in young people being together too much. In fact, some parents call for *more youth activity* as a solution to the problems of our young people.

There is a motto that “the family that prays together stays together”. That says a lot in a few words, but it does not say enough. It is surely an oversimplification. A family needs to do more than pray together, it needs to work together, visit friends together, read together, plan things together, eat together, share joys and sorrows, hopes and disappointments. In short, a family needs to live together.

It is true that young people need something to do. But parents should look harder for things they can do with the family that will serve to strengthen the ties between children and parents, rather than between children and their peers. (“Views and Values,” 1-78)

Answers to your Questions

Q) How did Job's kids sin~ to where Job had to make sacrifices for each one of his kids?

A) **Job 1:4** And his sons feasted in the house of each one on his day. And they sent and called their three sisters to eat and to drink with them.
Job 1:5 And it happened, when the day of feasting had gone around, Job would send and sanctify them. And he would rise early in the morning and offer burnt sacrifices according to all their number. For Job said, It may be that my sons have sinned, and cursed Elohim in their hearts. This, Job always did.

His children were celebrating their birthdays, which in ancient times was looked at as pagan and prideful and usually only kings and emperors would make such celebrations. So Job did the sacrifice fearing for his children's well-being in doing such a practice for themselves.

Q) What does Numbers 5:18 mean? Did she have a covering on her head?

A) **Num 5:18** And the priest shall cause the woman to stand before YAHWEH, and shall make bare the woman's head, and shall give into her hand the food offering of memorial; it is a food offering of jealousy; and in the priest's hand shall be the bitter waters which cause the curse.

The priest is shaving the hair off the head of the woman to shame her for the accusation. He is not removing a veil as he is making the head bare, not the hair.

Q) Can you prepare food for your household on the sabbath?

A) **Exo 31:14** And you shall keep the Sabbath, for it is holy for you; the profaners of it shall sure be executed; for everyone **doing work in it**, that soul shall be cut off from the midst of his people.

Exo 31:15 Work may be done six days, and on the seventh day is a Sabbath of rest, holy to YAHWEH; everyone doing work on the Sabbath day surely shall be put to death.

Also,

Exo 16:23 And he said to them, That is what YAHWEH said, Tomorrow is a rest, a holy Sabbath to YAHWEH. **What you will bake, bake. And boil what you will boil. And lay up for yourselves all that is left over, to keep it until the morning.**

The Sabbath is a day of complete freedom from any type of servile work, including cooking, cleaning, etc. Friday (the 6th day) was given as a preparation day for preparing food, so that no work and cooking would have to be done on Sabbath.

If you use the preparation day (Friday) for preparing your food, then you will not have to prepare on the Sabbath and violate it. It is not going against scripture to simply heat the food that was cooked the day before.

For all information on the Sabbath see our lesson 4 on our online Bible Course at www.coyhwh.com.

PROVE ALL THINGS: Which Day is the Passover?

Leviticus 23:5-6 states, **“In the first month, on the fourteenth of the month, between the evenings is the Passover to YAHWEH. And on the fifteenth day of this month is the Feast of Unleavened to YAHWEH; you shall eat unleavened things seven days.”**

From this scripture it should be clear that the Passover and days of unleavened bread are two different ceremonies, or why would Yahweh separate them in Leviticus the 23rd chapter? The Passover is on the 14th day of the first month of the year (Aviv), and the feast of unleavened bread begins on the 15th day of the month, but the Jewish community keeps the Passover on the 15th day of Aviv, the first day of unleavened incorrectly, and some have also incorrectly followed in their footsteps. Early on, when the Israelites came out of Egypt, Yahweh commanded them to keep the Passover on the beginning of the 14th day of the first month, after sunset (Ex. 12:6). They were then commanded to stay in their homes until the break of day (Ex. 12:22). Then on the daylight portion of the 14th, they were to quickly gather their possessions and leave the city of Goshen where they lived, and gather at Rameses, the capitol city of Egypt. Scripture tells us that the Israelites left Rameses on the night portion of the fifteenth day of the first month. (Deut. 16:1b) **“For in the month of Aviv, YAHWEH your Elohim brought you out of Egypt by night.”** (Num. 33:3a) **“And they pulled up stakes from Rameses in the first month on the fifteenth day of the first month.”**

We are told that we are to celebrate each year and commemorate the coming out of Egypt on the fifteenth of Aviv. (Ex. 12:42) **“It is a night of celebration to YAHWEH, for bringing them out from the land of Egypt. This night is a celebration for all the sons of Israel to their generations.”**

This is not the night of the Passover, but the following night. Many refer to this festive meal as the night to be much observed. The reason the Jews keep Passover on the 15th instead of the 14th is that they have combined these two ceremonies into one. Exodus 12:8 tells us that we are to eat the Passover with unleavened bread. Now if this were the fifteenth, it would already be unleavened bread, there would be no reason to

even state this unless it was the 14th, the day before unleavened bread. Also, everything Yahweh names, he does for a purpose. The name Passover is named for the death angel passing over the Israelites at midnight. Now there may be two evenings to a day, the beginning and ending evening, but there is only one midnight. If the 14th day is Passover, then the Passover meal was eaten early on the 14th, and the death angel passed over at midnight on the 14th. Then the Israelites went to Rameses on the daylight portion of the 14th, and left Rameses the beginning of the night of the 15th, as scripture states.

Let's look at the Gospel of Luke. Luke 22:7, **“And the day of the Unleavened came, on which the Passover must be slaughtered.”** Which day was this? It was the day before Yahshua was crucified, and when he was crucified, it was the daylight portion of the 14th, the day before the Holy Day of Leviticus 23:7. John 19:31 **“Then, since it was Preparation, that the bodies not remain on the tree on the Sabbath, for that Sabbath was a holy day.”**

Let us go back to Luke, and look at what Yahshua commanded his disciples at the beginning of the 14th of Aviv, the night before he died. Luke 22:8 **“And He sent Peter and John, saying, Having gone, prepare for us the Passover, that we may eat.”** Luke 22:11 **“And you will say to the housemaster of that house, Our Master says to you, Where is the guest room where I may eat the Passover with My disciples?”** Luke 22:13 **“And having gone, they found as He had told them, and they prepared the Passover.”** The Apostle Paul also tells us when we should observe the Passover meal. I Cor. 11:23 **“For I received from the Master what I also delivered to you, that the Master Yahshua in the night in which He was betrayed took bread...”**

Clearly, scripture shows us that Yahshua kept his last Passover on the beginning of the 14th of Aviv, the same time the lambs were being killed (Lk. 22:7), then was taken at midnight of the fourteen by the Pharisees and died on the daylight portion of the 14th still on the Passover, to show He truly was the Passover lamb. The Jews, according to their own tradition and not scripture, were keeping Passover the next day wrongly so, combining it with the night to be much observed. (John 18:28)

Letters from our Readers

Dear Elder Don,

I have been listening to the messages for a while now, and would like to get in touch with an elder and start learning what I need to know and do to repent and be baptized. It is pretty clear that I have many death sentences over my head and I have to go one way or the other. The way I have been going is broad and straight and leads to death. I really hope I can get Life. Anything you can do to help me is appreciated. Thank you for all the messages. I really don't know where else to turn. Thank you again and I hope to hear back.

Hello COYJ brethren!

I hope that all are doing well and coping with the new normal. I want to provide you with an offering to further the spread of the Gospel. I have truly enjoyed the Bible and books you have produced. Also wanted to ask you to confirm how best I can send in my tithe to COYJ. Just want to make sure my funds are going to make it to the right account and get used for the work!

Thanks again for all you do for the flock of our coming King!
May Yahweh Bless you and keep you safe.

Sincerely, Bro. K

Hello to the Congregation of Yahweh, to Don & His Family and to all the elders,
I cannot begin to tell you all the stories about my life and the crazy & weird & awesome things that happen to me and my family on a day-to-day basis, but things have certainly picked up the pace! Are there demons here walking the ground in front of our eyes now? I

think there are! Seems I just saw one at Walmart! Just the way things are going now it just cannot be far off!

Just everything is weird! My phone won't work anymore I think I need 5G and I really don't want it! But please take care! I just do my job all day and work for Yahweh and my family and He has and always will take care of us and I pray He takes care of all of you too! With much love and well wishes,

Praise Yahweh and Give Thanks to Yahshua!

Dear Don and Family,

Thank you for your most recent ministry update and letter. I am praying for your health as well as a way out of the mandatory vaccine passports that I have read about. The MRNA vaccines are HIGH RISK as they program to change your DNA and are irreversible.

Yahweh will make a way as you continue to serve Him. Tough times will not last forever, but tough people do.

How exciting it is to hear of the growth that YHWH is bringing to His people worldwide, and how wonderful that through your website that almost all nations on earth can hear the truths of His Word. You are able to reach more people than all of the 1st century apostles combined!

For now, the door remains open. HalleluYah!

Dear Elder Don,

I pray that all is well with you and your family. I want to thank you so much for the Bible and books that you sent to me and the brethren with me here in AL. I am also thankful that I can watch your messages online. It is truly a gift of YHWH in these end times that brethren can access these messages each Sabbath and be strengthened for the times we are living in. Even the apostles did not have such a blessing, but had to go from place to place to mostly small groups of brethren and house congregations.

I pray for things happening in Israel as the Beast Power takes over that country recently.

Always know that Yahweh is with you in the good work that you are doing.
